Company Summary

Your agency deserves a vendor who can meet the demands and deadlines of your construction projects in a cost-effective manner. As a minority owned small business with over 10 years of experience in the remodeling industry, our size and experience allow us to be efficient and responsive to our client's needs, providing better pricing and greater value to help accomplish your project needs.

We serve local municipalities, state agencies, federal buyers, the commercial market as well as the residential market. Our core specialty is interior remodeling and building maintenance. Your agency will benefit from our seamless project management skills, communication, reliability, integrity and quality assurance. Let's work together to accomplish your goals.
